A Note from Mr Stoyles

Year 6 SATS

Congratulations

WE ARE SO
PROUD OF YOU

A huge congratulations to all our year six children for their efforts and determination during their SATS assessments this week. Regardless of the results, they have displayed such a positive approach in trying their absolute best to show everything they have learnt throughout their time at school. A special thank you to the whole Ladock team, in which every member of staff had some involvement in making the week successful.

Forgiveness, Trust, Compassion, Perseverance, Respect & Truth.

A Note from Mr Stoyles

Blaise Trip to Charlestown Museum and Beach

Blaise class thoroughly enjoyed their trip to Charlestown today with an immersive visit to the museum and some time to enjoy beach activities in the warm weather.

Y2 SATS

Next week on Tuesday, Wednesday and Thursday morning our children in Y2 will take part in their SATS assessments covering reading, maths and spelling + grammar. The tests will take place in their classroom at 9am, so we do ask that children arrive promptly at 8:40am each morning. We're confident in all their abilities and this has been proven during their practice tests recently. The children in Y1 will be taught by myself and will also spend time in Cuby classroom on these days throughout the week.

Head of School Appointment

A huge congratulations to Mr Tom Hobbs who will become the next permanent Head of School at Ladock from September. After a gruelling process last week, Tom persuaded members of the SMC and directors that he had the skills required to lead the school moving forward. After meeting with Tom today, he is very eager to begin his induction handover after half term and will be visiting the school frequently where they will be opportunities for him to further introduce himself to staff, parents and children.

Walk 2k a day in May Challenge

Mrs Rimmer and Mollie have decided to take on the challenge of walking 2k a day in May for the Anthony Nolan charity.

The charity was founded in 1974 and gives a chance of life to thousands of blood cancer and blood disorder patients. It makes lifesaving connections between patients and strangers ready to donate their stem cells.

Please give us a wave or beep in the car if you pass us— Chris Rimmer x
