Message from Mr Hobbs

Happy New Year

It has been great to see all of the children back for the new term.

With the weather threatening snow it is worth reminding everyone of the communications that will be sent out should the school need to shut. If we are closed due to the weather or opening late we will notify you via Class Dojo and the school will be listed on the county website. Should we need to close early we will notify you via Class Dojo and via a text message. Fingers crossed that we don't need to use either.

Please can we ask that wraparound is booked through Parentpay (unless you use the voucher system) at least the day before. The number can fluctuate quite considerably over the course of the week and it is important that we know how many we have in advance so that we can staff the sessions and provide enough snack for all of the children.

One of the requests from the suggestion box I sent out last term was for more information about what the children are learning so they could be supported at home. This is something we have been working on for a little while and we will be ready to share the overviews for the term next week. These will be available to view on the class pages of the website.

The Government advises that attendance should not fall below **96%**

The
deadline for
applications is
**15 January
2025**

Do you have a child born **between 1 September 2020 and 31 August 2021?**

If so, you will need to apply
for a place in a reception
class in September 2025 for
your child by the deadline
of **15 January 2025**.

Please note: you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
