A note from Mr Stoyles

I am delighted to announce that after conversations with parents and members of staff, we have devised '100 words' to describe Ladock C of E school. This was an incredibly tricky process but I feel that it encapsulates everything great about Ladock school in a snapshot.

Ladock School in 100 words

Every child contains a unique seed with the potential to blossom. At Ladock School, we nurture this seed through loving support and guidance, hard work and dedication to inspire our school community to enjoy learning together. With strong family and community links, intertwined with our core Christian values of respect, compassion, trust, truth, perseverance and forgiveness, our vision is to develop and inspire caring and holistic individuals with a passion and love for learning. Encouraging children to surpass their potential academically and personally, we facilitate learning opportunities for all. Embracing challenge, we encourage our children to be considerate global citizens.

Mission Statement

Loving, learning, achieving together.

School Values

Respect, compassion, trust, truth,
perseverance and forgiveness.

Par Cross Country event

All four boys came out of school this Wednesday fired up and ready to run their socks off. Arriving at Par they checked the route and had a good warm up and stretch then got ready near the starting line. There was lots of jostling from the other approx 120 boys but once the horn sounded all boys sprinted hard to get away from the main group to gain some space to run. All boys pushed on to the end sprinting to keep their places at the very end! Great determination and well done all!

HEADLICE

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. The following web-site has useful information to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> You can also ring to speak to the school nurse on: 01872 221704. There are also leaflets available in the school office.

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately. Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless EVERYONE is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.

In a further attempt to work as a team and break the head lice cycle, we will be asking parents to support Bug Busting Day!

**TOMORROW (Friday 9th November)
IS BUG BUSTING DAY!**

Could we ask you all to check your child's hair for head lice and treat if necessary. If we all do this on the same day each month then we will be able to control this issue, **although you do need to check your child's head more often than once a month.**

LOST!

Girls aged 10-11 labelled Ladock School cardigan. Could you please check to see if your child has mistakenly taken the wrong cardigan home.

Thank you for your help.

**SLOW DOWN
AROUND
SCHOOLS!**

Please, Please can we ask that you drive SLOWLY approaching and leaving the school, particularly the road down towards the church as children will be walking up and down to the Victorian building. Thank you for helping to keep our children safe!
