Issue 4 Summer—9th June 2023

A Note from Mr Hobbs

What a great first week back.

It has been fantastic to see the children come back smiley and ready to learn. The summer term always seems so busy but it always provides such great opportunities for the children to get out and have different experiences. Before half term Keyne class were lucky enough to go on a fantastic trip to Newquay Zoo at the end of their topic on animals. Their behaviour was fantastic and they really enjoyed seeing all the animals they had been learning about. The last week of term also saw the final sailing session for the Year 5 children. I was lucky enough to join them on the river and watch all they had learnt over the previous few weeks. It was a struggle to get the boats moving as there was no wind but they enjoyed a dunk in the river at the end to cool off.

This week I took 3 of our footballers to form part of a Rainbow Trust football team to take part in a football tournament against other trusts down in Penzance. It was tricky to start as Harry H, Harry T and Henry did not know the other players. In the first game we came up against eventual winners CELT but gave them a tough game scoring the only goal they let in throughout the whole tournament. The three boys were fantastic and fought hard with the other members of their team to secure a win in their final match. They were great representatives for the school.

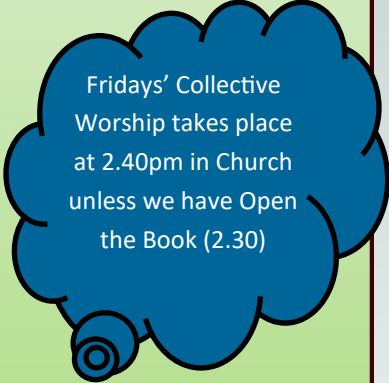

With the calendar very busy over the next few weeks with sports day, Ladoca class Residential, Keyne class sleepover, Blaise class surf lessons and a transition day please keep an eye on the dates to ensure you are up to date.

Finally with the hot weather looking like it will continue please make sure that you send your children to school with a refillable water bottle so we can keep them hydrated.
