Issue 2 – 23rd January 2023

A Note from Mr Hobbs

It's always strange not being in school for a few days but everyone is great at keeping me updated with everything that happens. Professional development is incredibly important as a teacher and there was a great deal of knowledge from the two courses I attended last week that I will be able to share with the team.

With the continued threat of cold weather and potential snow over the next few weeks, I wanted to remind everyone that we will always do everything we can to open the school but must ensure that it is safe for the children and staff. It is always a difficult decision and depends on many factors including the site itself and whether our staff can get themselves to school safely. We'll continue to use Dojo and text messaging to communicate these messages and will aim to get the message to you as soon as possible.

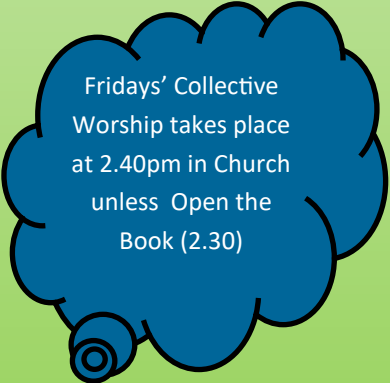

I also wanted to take the opportunity to give a shout out to the Cross Country team who faced very difficult conditions on Wednesday when they raced at Par. They braved the cold and icy track to continue their fantastic efforts this season. Our Year 5 boys team are currently ranked number 1 in the area thanks to their combined results - Well done to all that take part.

Finally, please look out for a parent questionnaire that will come out later this week about homework. It is always a subject that divides so we want to make sure that we are getting it right for our young people and your thoughts are always welcome.

Day	Club	Adult	Available to

Comments are invited by 26 January 2023.

Thank you.

Ladock Church

Children's Sunday Club

Please join us every **4th Sunday of the month at 11am** for arts and crafts, games and bible stories.

Children are also supported to boost their confidence and public speaking skills through as much/little as they wish to be involved in the service; carrying the cross, reading prayers & lessons, ringing the bell, singing, etc. Great learning experience & fun for the whole family.
