Issue 1 – 7th January 2022

A Note from Mr Stoyles

Happy New Year! We hope that you all had a fantastic Christmas holidays with opportunities to see friends and family. It has been great returning back to school to see the children resume their learning for the new term.

To ensure that we continue to offer high quality sports teaching, Mr Webb will continue to work at Ladock on Fridays and run an after school club through his company, 'One & All Sports' for this half term. In addition to this, Miss Burley and Mrs Minter will be switching teaching assistant roles across Keyne and Ladoca class.

It's realistic to expect further disruption across workforces in many sectors in the coming weeks due to positive Covid-19 cases. Although this has been minimal at Ladock to date, our aim will always be to prioritise face-to-face teaching in classrooms unless otherwise instructed. Guidance has now been changed around testing and self isolation. Children with symptoms that test positive on a lateral flow test do not need to access a PCR. If they test positive, the isolation period begins. If they then lateral flow test on day 6 and 7 and both are negative, they can return to school. If not, the full 10 day isolation period still applies. Children who are in a household with/or have had contact with a positive case are expected to lateral flow test (aged 5 and upwards) for 7 days. If this is negative each day, they can attend school. If for any reason a child cannot test, they should still attend as long as they have no symptoms.

I hope that you enjoy your weekend and look forward to seeing you on Monday.

January 2022

Dear Parent/Guardian

Re-visit of immunisation team for children unable to attend previous visit for nasal flu vaccination

If you were unable to, or missed the visit in November to deliver nasal flu vaccinations, the team will be visiting again on the 14th January 2022

As the spring term begins, it is highly likely that COVID-19 will be in circulation at the same time as flu, therefore it is important that we do all we can to protect against flu. We are delivering the flu immunisation programme in Cornwall's schools on behalf of NHS England. Flu can be a very unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2021/2022 all children in Primary Schools from Reception to year 6 (inclusive) will be offered the vaccine. The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please enter www.nhs.uk/child-flu to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate.

We are due to visit your child's school again for children **who HAVE NOT had their vaccine** on Friday 14th January. In order to access the online consent form, please enter or click on the following link:

<https://www.kernowimmunisations.co.uk/Forms/Flu> and the code for your school is EE140468. If you have any questions please contact to us on 01872 221105.

Please submit your consent form by midday on Wednesday 12th January to ensure your child receives their vaccination. If you experience any problems accessing the form, please telephone 01872 221105 and the team will be happy to help. Please note that as in previous years you must **opt into** the programme. If a consent form is not submitted, your child will **not** be vaccinated.

If your child becomes wheezy or has their asthma medication increased after you submit this form, please contact Kernow Health on 01872 221105.

Cold weather routine or other emergencies

At this point of the year as the weather begins to turn colder it is worth reiterating our cold weather and emergency closures plans.

There may also be a need for a part closure if some members of our staff cannot travel safely into our schools.

In the event of severe weather or another emergency we would follow this procedure:

- A text will be sent out to parents (please make sure we have the correct mobile number).
- A message will be posted on Class Dojo.
- The PTFA will be contacted and a message will be placed on their Facebook page.
- We will place an information notice on the front page of the school website with the latest information.
- We will inform Radio Cornwall, Heart and Pirate FM who will announce the school closure.
- A notice will be placed at the school entrance to inform people arriving.
- If we have to close the school during the school day, we will follow the same procedures but also telephone parents where possible.

Director/Trustee Vacancy

Do you have professional or business expertise you'd like to share in a strategic role within our multi-academy trust?

Celtic Cross Education has a vacancy on its board of directors, and this challenging and rewarding position could be just for you.

Directors (also known as trustees) are volunteers with a range of skills and their main responsibilities are to:

- Hold executive leaders to account for the educational, safeguarding and financial performance of the trust.
- Set the strategic direction of the trust.
- Ensure the trust's financial success and probity.

If you have worked in HR, law, risk management, finance or communication, or have skills in problem solving, critical listening or leadership, we would welcome an application from you.

This is a fantastic opportunity to help shape the future of our trust for the benefit of all our pupils.

Please email recruitment@celticcross.education for an application pack and further information or click [here](#) to visit our website.
