## Message from Mr Hobbs

Good afternoon,

The last few weeks of term always seem so busy and this year is no different.

Last week Blaise class showcased their acting talents with a performance of Alice the Musical. It was amazing to see them all up on stage and remembering so many lines, carrying on a lovely Ladock tradition.

This week a large group of Blaise class travelled to London for their Residential trip. The children had a amazing week seeing some incredible sights around our Capital including The Tower of London, The London Eye, Parliament, Buckingham Palace, The Science Museum, The Natural History Museum, Harry Potter Studios and Matilda the musical. The children were incredible and demonstrated our values in bucket loads. It was so great to see them enjoying so many different experiences on this fantastic trip.

Not to be outdone Keyne class also had their residential this week spending a night at the school. The children had dinner before settling down for a film in the classroom and sleepover.

At Ladock we believe these experiences are vital for any children growing up and recognise the part they play in their development. Allowing them to step outside their comfort zone with the support of their friends and teachers is something we will continue to promote. Thank you to all the staff this week that have made those experiences possible.

With the weather continuing to be warm please ensure that your child brings a refillable water bottle and has sun tan lotion applied before they come to school.

Have a great weekend
