## Message from Mr Hobbs

It has been great to have some sun to complete our first full week back.

The children have settled back into routines very quickly this week and have been working very hard.

Cuby class have settled in very well and have been sharing all about themselves and their favourite things with their class. They have started their phonics learning and have been talking about the sounds that make up words.

In Keyne class, the children have dived straight in to their topic on toys. I can't wait to see their faces over the next few weeks when they get to see some of the older toys that children use to play with. I might have to teach them how they rewind a cassette with a pencil so they understand the hardships we use to face!

It was great to step back in to the class at the beginning of the week and teach on Monday and Tuesday in Ladoca class. The children were very excited that they were able to start their coding program on the computers on Tuesday before letting off some steam during orienteering.

Finally our oldest children in Blaise class have settled back into the school routine very quickly and have started learning about the work of Charles Darwin.

Extracurricular clubs start next week, some of the clubs still have spaces so please ask Hannah or Jane if your child would like to attend one and hasn't already booked. We review these clubs each half term and try where possible to offer those that will reach the most children.

Have a great weekend

Mr Hobbs—Headteacher

The  
deadline for  
applications is  
**15 January  
2025**

# Do you have a child born **between 1 September 2020 and 31 August 2021?**

If so, you will need to apply  
for a place in a reception  
class in September 2025 for  
your child by the deadline  
of **15 January 2025**.

**Please note:** you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.

Visit [www.cornwall.gov.uk/admissions](http://www.cornwall.gov.uk/admissions) for more information and to access the online application system.
