## A Note from Mr Hobbs

Hi Everyone,

I think we can all agree it is definitely Autumn. The weather this week has provided some challenges but we have incredibly hardy children who are keen to go out wrapped up whatever the weather. Please can we continue to make sure that our children come to school with coats so they can continue to do this. With the amount of leaves covering our playground please be careful on pick up and drop off. We attempt to keep the main thoroughfares clear but the playground is a never ending job at this time of year.

The first week back has been busy with the children quickly settling in to their routines. Following our staff training on Read, Write Inc on Monday our Key Stage one children have started up in their new groups and are showing great enthusiasm despite some different environments. Ladoca class are incredibly excited about their new topic and are desperately hoping that at some point there is a "tasting session" - I'll leave the rest for them to explain. Blaise class are looking forward to a half term of Rugby with Sam from the Cornish Pirates teaching them on a Friday afternoon starting next week.

This week has also seen us officially join The Rainbow Trust. Whilst we have been working closely with them since the start of term it was good to get together with Sam Jones (CEO) and the rest of the headteachers and look at plans for the future. The team at Rainbow have been incredibly supportive over the last few months and have welcomed us with open arms sending a large cake for the staff room (it didn't last long) and a small gift for the children.

Finally, with Guy Fawkes night on Saturday we wanted to remind everyone who plans to celebrate this with fireworks or sparklers to stay safe and ensure that the children are closely supervised at all times. Organised displays can be found at Bodmin (Priory Park), Newquay (Fistral and Sports Centre) and Tregony Sports Club and often provide the safest way to enjoy the evening.

Have a lovely weekend
