Students of the week

St Cuby **Sofia May**

St Keyne **JJ King**

St Ladoca **Rupert Meyer**

St Blaise **Olivia Jessel**

A note from Mr Stoyles

We are pleased to introduce 'The 99 Club' throughout the school. This will aim to further raise standards in maths through encouraging pupils to improve their mental calculations when attempting quick-fire multiplication, division, addition and subtraction problems.

The idea is that with repeated practice, the scheme will result in an increased speed and confidence when tackling mental maths problems, without relying on written workings and methods.

Pupils will work their way up, having an opportunity each week to answer all calculations at their current level unaided, and within an allotted time.

To publicise the importance of times tables, as well as recognising effort and celebrating success with children as they progress through the 99 club, every child will receive a certificate after they reach each milestone.

Below is a table to explain the '99 Club' programme we will be using with the children.

Children in the infants will also take part in the 99 club with a slightly different version, based on the objectives from their year group. They will however still be able to progress through the stages of the club.

<u>11 Club</u>	<u>Number bonds to 10 (5 minutes)</u>
<u>22 Club</u>	<u>2,5,10 times tables (5 minutes)</u>
<u>33 Club</u>	<u>3,4,6 times tables (5 minutes)</u>
<u>44 Club</u>	<u>7,8,9 times tables (5 minutes)</u>
<u>55 Club</u>	<u>11, 12 times tables with division (5 minutes)</u>
<u>66 Club</u>	<u>Multiplication and division (5 minutes)</u>
<u>77 Club</u>	<u>Mixed division and multiplication (5 minutes)</u>
<u>88 Club</u>	<u>Random 4 operations (5 minutes)</u>
<u>99 Club</u>	<u>Fractions, Decimals and percentages (10 minutes)</u>
<u>99+ Club</u>	<u>Square/cubed numbers, algebra, FDP, square roots, decimal problems (5 minutes)</u>
<u>The last straw</u>	<u>The 99 Club was founded in 2006 and in that time, only 6 children have ever completed 'The Last Straw'</u> <u>Could you be the 7th? (5 minutes)</u>

SRE Lessons

Next week, we will be holding SRE (Sex and Relationships Education) curriculum afternoons. All parents have the right to withdraw their child from the lessons which are not covering the Science curriculum. This would in effect be the relationships aspect of SRE. Should you wish to do so, please discuss the matter with your class teacher or Mr Stoyles. We hope that you feel this is an important part of the education of your child, a point best delivered in a partnership of trust between home and school.

The school will cover the following content overleaf.

Year 6 Roseland School welcome day—transport arrangements Tuesday 3rd July

Please find below a paragraph from the e-mail which Steve Marshall (Transport Officer at Cornwall Council) has sent the bus companies:-

“Buses will allow access to the Year 6’s with the usual caveats:

There is no guarantee that any/all of the new intake will be able to get on the bus. The Council have no obligation to provide transport for open days so it’s just something we help out with. If the vehicle becomes overloaded, then they will be refused access. As a result of the above, we advise all parents to accompany the Year 6’s to the bus stop nearest to their house/in their village, in case they are refused access”.

If any parents are unsure of arrangements, you can ring the Roseland school Reception on 01872 530675 Option 7 or e-mail enquiries@theroseland.co.uk

We were very lucky with the weather for our sports day yesterday and all enjoyed a wonderful afternoon. We were very proud of all of our children for having a go, persevering and showing great sportsmanship. Not to mention the great sporting talent we witnessed. Thank you for all of your support, it was lovely to see the field so full.

A HUGE thank you to the PTFA, once again, for organising the delicious refreshments!

After school Football club—Friday 6th July

There will be no afterschool football club on Friday 6th July as Mr Jarvis is attending a sporting event.

Year 3 Residential

Year 3 children had a wonderful camping trip at Woodland Valley Farm. We all returned exhausted but having experienced a lot of fun, energetic activities including feeding the pigs, getting up close to the cows, den building, fire lighting and several walks in the beautiful woodland.

The highlight of our trip was having seen the beaver swim across the pond on a night watch!

Ladoca class marble party—Friday 29th June

Ladoca class will be having a marble party tomorrow. Children can come to school in 'non-uniform', and whilst Mrs Argent will provide crisps and cake, if children wish, they may also bring a contribution, sweet or savoury.

Many thanks
