## Message from Mrs Hobbs

Hi Everyone,

It's great to have some sun to end the week. With the weather improving it's been great to get outdoors with the children more and use our fantastic surroundings. You may have noticed some changes in the long-house. We are transforming it into an outdoor classroom where the children can go for some of their learning. It will link to our new "Wild Tribe" curriculum that some of our youngest children have started taking part in. The rest of the school will start to take part in outdoor learning lessons over the next term and a half. These lessons are designed to help the children learn more about their surroundings, so will involve lessons on trees, making knots and fire lighting to name just a few of the subjects they will cover.

Ladoca and Blaise class were lucky enough to take part in school trips linked to their topics this week. Ladoca visited the Maritime museum in Falmouth to learn about the Vikings and how they travelled to England and the impact they had on our country. Blaise stayed slightly closer to home and visited Truro museum to view their fantastic Egyptian exhibit. We love it when our children can get out and enjoy what the county has to offer. It provides such a fantastic enhancement to their learning. Thank you to everyone who has supported these trips.

In Cuby class this week we have been learning all about birds. This weekend is the 'Big RSPB Bird Watch'. It would be lovely for Ladock families to join in! For more information see the following link? [Click here](#)

Have a great weekend.

*On 10th January we took part in the Par Cross Country event at Par race track. We competed against a lot of other children from different schools, the weather was cold and windy, but luckily the rain held off! Harry came in 1st position, Henry 4th, Jude 8th, Darcy 40th and Morwenna 37th.*

***What a fantastic effort, well done!***
