A Note from Mr Stoyles

Parent Consultation Evenings

It has been great this week to welcome parents back into the school for our spring term parent consultation evenings. We were pleased to be able to offer face to face meetings for the first time in the past two years - we hope that you enjoyed having the chance to speak about your child's progress and hear about how they are working in school. If you were unable to book a meeting due to covid-19 absence, please do not hesitate to contact the school to arrange a date.

Termly Assessments

Next week, the children in Y1-Y6 will be taking part in termly assessments in reading and maths. This is to confirm our judgements in preparation for our termly data submission. The children will be told how this is a way to celebrate the great progress they have made in their learning.

Pupil Survey

Over the past two weeks, children in years 2-6 have been completing our annual pupil survey. Similar to our parent survey, we will use the results to help establish what the children enjoy, what is working well and what we can do better as a school. We look forward to sharing the results.

School Dictionaries

As a result of money raised from recent fundraising activities, we have purchased new school dictionaries for the children in school to help with their literacy work.

Wraparound Club

As the weather improves, the children in our after school wraparound club will be using the playground and school field more frequently. Please assume that children are likely to be outside if the weather is bright and sunny and pick up from the main school car park. Many thanks.

A Note from Mr Stoyles

Mother's Day Service

The church was full this morning for our school to celebrate and honour mothers for everything that they do. The children in each class came to the front of the church with a different performance to honour this special day. Many thanks to all those in attendance and to Ladock church for donating 120 bunches of daffodils.

Olympic Athlete

As part of our personal development aims, Mrs Denning has organised for an Olympic athlete to visit the school on Tuesday 24th May. Two weeks before the event, we will hold a special assembly revealing the athlete to the children via YouTube link. On the day, the athlete will visit the school and the children will take part in sports and fitness activities. After this, the athlete will join us in an assembly where they will lead an inspirational talk about their career, speak about the lessons they've learnt and their resilience in the face of adversity. The only question that we're desperate to find out is.... who will it be.? Stay tuned!

International Day of Sport

To recognise the positive role sport and physical activity plays in communities across the globe, we will be celebrating the international day of sport at Ladock school on Wednesday 6th April. On the day, we are asking that children come dressed in their favourite sports kit, or as a

sporting hero, equipped with some knowledge about their chosen sport or hero.

Sun Cream & Sunhats

Please be mindful as the weather gets warmer around application of sun cream for children in the morning and the wearing of sun hats.
