Issue 4– 1st October 2021

A Note from Mr Stoyles

Today marked our annual Harvest Festival where children and staff wore red to help raise funds for the charity Christian Aid who work to help tackle global poverty. We are delighted to have raised just under £100.00 to this worthy cause and finally offer an open invitation to the church to celebrate this occasion. We were really unsure of how many parents would attend but were delighted to see so many in support of the children, school and community—it really does make us feel proud!

Thank you to all the children who submitted their reading ambassador application forms this week. These have been compiled, with the majority chosen ready to be announced to classes on Monday.

I hope that you have an enjoyable weekend.

Parent Support Advisor

Parenting is not an easy job, and at times things can get tough.

Parent Support Advisers are here to help provide a seamless link between home and school that promotes a positive attitude towards education.

What we do:

- Encouraging positive links between parent/carer and school.
- Help parent/carer feel confident to engage with their child's learning.
- Assist and support around transition stages.
- Help with issues around attendance.
- Signposting to other agencies.
- Enable participation in the Common Assessment Framework (CAF).
- Deliver evidence-based parenting programmes.

We do this by:

- Targeted individual pupil support.
- Working to an action plan with a family on identified needs.
- Parenting groups, various ages and needs.
- Meetings which can take place within school, at home or in a neutral venue.
- Initiate and support families with the CAF process.
- Linking with primary schools to identify and give additional support to some pupils during the transition process.

Our approach:

- Flexible, approachable and creative.
- Open and transparent, working with other agencies where appropriate.
- Home visits/overcoming rural isolation.
- Inclusive of fathers/partners, grandparents and within split families.
- One off support for parents/carers after cases have closed.
- Completely free!
- Absolutely confidential, within safeguarding procedures.

Attendance

As you know Celtic Cross Education have developed a RAG (red/amber/green) rated system to alert parents to the fact that attendance is falling;

GREEN Band—93—96%

AMBER Band 90-93%

RED Band—Persistent Absentee) Below 90% (This is a Government definition).

An attendance trawl will take place at the end of the Autumn term and letters will be sent to parents whose children fall into the above categories. We understand that children may have to attend a medical/dental appointment in school time, however you should try to make routine appointments outside of school hours.

If children do not attend school regularly, they may not be able to keep up with school work. In a busy school day, it is difficult for teachers to find the extra time for a child to catch up.

Every lesson really does matter, also missing out on the social side of school life—especially at primary school—can affect a child's ability to make and keep friendships, a vital part of growing up. Children can become unnecessarily worried about the return to school, causing a barrier to returning.

Many thanks for your support in this important matter.
