A note from Mr Stoyles

Welcome back to school and the start of the Summer term. I hope you had a great holiday and chance to enjoy the sunshine. As always, the school is a busy place! This week has already seen the children in Blaise class go on a trip to the Eden Project. Their impeccable behaviour during the trip was noticed by all members of staff at the school as well as members of the public visiting, especially as the rainforest biome was particularly warm on the day! As well as this, children in Keyne class had a visit from the Royal Cornwall Agricultural Trailer, something which they thoroughly enjoyed.

We are continuing to encourage fluidity between tasks set through mathematics at the school, believing that individual children flourish when introduced to new and existing concepts. The children, mainly in KS1 and KS2, are now regularly taking part in something called a cold task. This will informally assess their correct starting point in a session, meaning that they are constantly challenged and offered support where necessary. Feedback from the children is positive, especially when they access work of a greater difficulty than they are used to.

I hope you have a fantastic week.

Keyne class visit

On Tuesday, Keyne class had a visit from the Royal Cornwall Agricultural Association's farm and country trailer to launch our new farming topic! We had great fun and learnt lots about farming. We learnt about farm animals and what their babies are called, the crops that grow on farms and what they are made into and the signs you find on the farm and what they mean. We are really looking forward to spending this term learning all about farms!

Miss Harris

Sun cream & hats

Can we please remind parents that as we are moving into the summer months, sun cream must be applied to children before coming to school. A named sun hat is also to be left in school for the duration of the school term as we hope to be spending as much time as possible outdoors. **Thank you.**
