Issue 1 – 6th January 2023

A Note from Mr Hobbs

It has been great to see so many smiley faces back after the Christmas Break. The children have been busy throwing themselves in to their learning. Blaise have started their topic on Earth and Space this week as well as enjoying dance classes at the village hall on a Wednesday afternoon. Ladoca have also been strutting their stuff with Katie on a Wednesday and have started their topic on Extreme Earth. They are hoping to finally get to Eden in the next couple of weeks after a couple of unfortunate cancellations.

I joined Keyne class this week to start their topic about Kings and Queens and we took a look at the Crown Jewels and found out how much they are worth. Finally, Cuby class have been talking about the holidays and recounting their family time.

As we start a new term I wanted to take the opportunity to remind everyone that school starts at 8.45 when the register is taken. The children's learning starts at this time and our KS1 children join their reading groups at 8.55. Obviously we understand there are occasions when you may be running late however this does start to impact their learning and that of others should it happen too often.

As always my door is always open should you have any questions or queries.

Tom Hobbs - Head of School

Children's Sunday Club

Please join us every **4th Sunday of the month at 11am** for arts and crafts, games and bible stories.

Children are also supported to boost their confidence and public speaking skills through as much/little as they wish to be involved in the service; carrying the cross, reading prayers & lessons, ringing the bell, singing, etc. Great learning experience & fun for the whole family.
