A Note from Mr Stoyles

I hope that you all had a brilliant Bank Holiday weekend with time spent with friends and family. We are now beginning the busiest period of the year with lots of exciting events and activities for all the children to enjoy. We aim to include everything within our weekly newsletters to keep you well informed.

Seas the Day

This week, the children in Y5 took part in their first sailing lesson provided by Roseland Paddle and Sail. This was thoroughly enjoyed by all with lots of excitement and new experiences for the children to enjoy. A special thank you to Mr Le-Page and Mrs Rimmer, who are taking the children to these sessions. Please ensure that children bring an additional pair of shoes to change into after their session.

Y6 SATS

Next week, from Monday to Thursday, the children in Y6 will complete their SATS assessments. They are all invited to our breakfast club in the mornings at 8am in Blaise classroom ([letter here](#)). Although traditionally these assessments would take place in Ladoca classroom, the children have decided that they would feel more comfortable taking these in their own classroom. As we have additional adults as scribes and readers, the corridor and offices will be used and not accessible for parents and visitors during this time. Also, as Jane and myself will be involved during the week, the phone lines will divert to an answerphone message in the mornings. Please continue to email or send messages via ClassDojo. If your query is urgent, please call the number 07919004625.

We are all so incredibly proud of the Y6 children and all their efforts in preparation for their SATS assessments. The tests only measure a small part of them, their talents and abilities. Their great progress in showing our school values are far more important in life than their knowledge of long division and adverbial phrases. We hope they have a relaxing weekend and look forward to seeing them on Monday.

Head of School Position

Candidates for the vacant Head of School position were shortlisted last week. Today, they attended school and took part in different tasks that included: a school collective worship, data task, meeting groups of children, a learning walk and an interview with parents and members of our school monitoring council. Next week, they will attend formal interviews. We will be able to share the outcome of this process in the newsletter next week. Many thanks for your cooperation.

Headlice

We have been contacted by a number of families who are struggling to get rid of head lice infestations from their children. The following web-site has useful information to support you in getting rid of these little beasts. [Click Here](#). You can also ring to speak to the school nurse on: 01872 221704. There are also leaflets available in the school office.

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately. In school, we are not permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it is not the school's responsibility to overcome the problem. Could we ask you all to check your child's hair for head lice and treat if necessary, thank you.

As always we want to thank and encourage the current pupils involved in church life such as Sunday Club, QPJ events, etc. We also would like to extend children and parents engagement and participation with church events and services. You will always find a warm welcome and a familiar face.
