## A Note from Mr Hobbs

What a week of fantastic weather we have had and it has been great to see the children out enjoying our surroundings.

The biggest news this week is the huge success of our Blaise class Residential to London. 22 children and 4 adults set off by train on Monday morning for 3 nights and 4 days exploring some of the greatest attractions our Capital has to offer. The children visited Buckingham Palace, The Houses of Parliament, The London Eye, The Tower of London, The Science Museum, The Natural History Museum and Warner Bros Studios Harry Potter tour as well as experiencing a boat ride up the Thames, The London Underground, and the fantastic West End show Matilda.

The children couldn't have made me more proud on the trip, showing Ladock School in its best light. We were regularly told by members of the public and staff in the various attractions how polite and well behaved our children were. The group showed an incredible level of maturity when moving around the city on the tube, and showed their interest with hundreds of questions in every attraction we visited. At Ladock we feel that these experiences play a vital role in the children's personal development and we will continue to improve the variety of experiences we are able to offer.

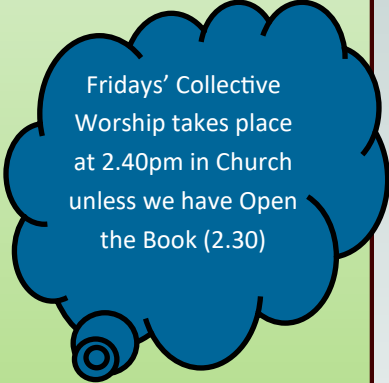

Finally, I wanted to say a thank you to Chris, Jane and the team who have been putting in extra hours to make our school look a little tidier. They have been sweeping, painting and cleaning as well as weeding and potting new plants to improve our outside areas. Thank you both.

Enjoy a sunny weekend

**Tom Hobbs - Head of School**

## Children's Sunday Club

Please join us every **4th Sunday of the month at 11am** for arts and crafts, games and bible stories.

Children are also supported to boost their confidence and public speaking skills through as much/little as they wish to be involved in the service; carrying the cross, reading prayers & lessons, ringing the bell, singing, etc. Great learning experience & fun for the whole family.
