Message from Mr Hobbs

Hi Everyone,

It has been great to see so much Red around today! Please remember to donate in you are able, and when we hear how much we have raised I'll make sure I let you know.

The weeks are going by so quickly at the moment. Last week Blaise class spent the day at Trelissick Gardens to help them with their geography topic on rivers. They studied the river and streams and gathered information to bring back and use in their geography lessons in school. There were some very tired children when they got back after walking around 4 miles.

It was fantastic to see all of the children dressed up for World Book day on Thursday. The children really enjoyed working with children from other year groups and moving to different classes for their activities. It was great to see them become involved with the new books they were learning about and share their love of reading.

This week the children have been carrying out assessments in Reading and Maths. These assessments help the teachers make their judgements on the progress of the children and highlight areas that they need to work on in class. The perseverance and determination I have witnessed this week has been incredible and made me very proud. With parents evening on the 26th and 27th March, feel free to ask about these assessments when you meet with your child's teacher.

Have a great weekend.

Mr Hobbs
