Message from Mrs Hobbs

Hi Everyone,
Happy New Year

It has been great to see all the children back and throwing themselves into their learning. Thankfully this week has been drier than Christmas and the children have enjoyed being outside during break and lunch. Please remember to send your child with a suitable coat as we try to go outside whenever we can.

There has been some fantastic learning going on since we have been back. Blaise class had the opportunity to explore an Egyptian tomb on their first day back when their classroom was transformed. The excitement and discussion about what they found inside was wonderful and it really captured the children's imagination for the topic ahead. This will be followed up by a trip to see a real mummy at Truro museum in a couple of weeks. Overviews of all the children's learning for this term will soon be available on the school website so you can follow their progress.

School clubs will start again next week for what feels like a very short term. The staff at Ladock give up their time to run a variety of after school clubs as we feel that it is important for the enrichment of the children. As we are only a small school we have a limited number of staff and the clubs will depend which staff are available at which point in the year. We always have a discussion about what we can offer and endeavor to vary it to meet the needs and interests of the children. From time to time there may not be a club available for your child. Please rest assured that if this is the case we will ensure that the next half term there is a club available for your child. We are always looking for different clubs to run so if you have any suggestions please let me know.

class in September 2024 for
that child by the deadline
